

Adams PTA Participation Survey

Dear Families, throughout the year Adams PTA organizes many events that require support from our PTA membership/families in order for them to continue. **Please** take a look at the list of ways you can get involved in Adams PTA, check off how you can help, fill out the contact information portion at the bottom of the page, and return to your student's teacher ASAP. Thank you so much! Please contact us at our email address adamspta1@gmail.com with any questions.

Volunteer opportunities

_____ **Chairperson/committee member for various events at Adams:** We are always looking for new volunteers to help coordinate some of our different events at Adams or help by serving on a committee for these events (Giving Tree, Fun Run Spring Fundraiser, St. Patty's Day Dance, School Store donations, Teacher Appreciation Week, Teacher/Staff PTA Sponsored meals.) If you are interested in getting more involved in our PTA and at Adams, this is a great way to get started. Please let us know on the line below which events you are interested in helping plan for our school. Thank you so much!

_____ **School Store:** We are in need of volunteers to help work these events that occur at Adams throughout the year. The school store runs during the school day. Typically shifts last 1-2 hours. Please indicate if you are interested in volunteering.

_____ **Dental Screening:** Throughout the year (exact dates TBA), Blackhawk Tech students visit Adams through their dental hygiene program to offer free dental screening to students of interested families. We are always in need of volunteers during these events to help escort classes to and from the dental screening area they set up at Adams. This event takes place during the school day and shifts can be broken up into 1, 2, or 3-hour increments based on volunteer availability.

Donations

_____ **School Store:** Our School Store is a wonderful program that offers students a chance to earn points to spend at the Adams School store as a fun way to reinforce positives behaviors of our students. We are always in need of volunteers, but especially monetary and newly purchased donations to the store are greatly needed. Please let us know if you are able to donate to this wonderful event at Adams or if you know of any businesses interested in partnering with us for this as well. More details to follow regarding donation suggestions.

_____ **Bake Sale:** We often hold a bake sale in conjunction with our St. Patrick's Day Dance, in March. If you are interested in donating a baked (or purchased) treat for the sale, please let us know.

_____ **Teacher Conference Meals:** The PTA hosts a meal for our teachers during the first evening of conferences and we need donations of food, water and/or monetary donations that the PTA would use to help purchase food. Please let us know if you are able to help provide for these special events at Adams.
